interface languages

8
AI career tools

JobTactics · Phenomain LLC · November 2026

THE CHALLENGE

Your clients need help faster than one coach can give it

10–12 M

young Africans enter the labour market every year, for about 3 million formal jobs.

African Development Bank

402 M

people worldwide want a job and do not have one (the global jobs gap, 2024).

ILO, WESO Trends 2025

~98 %

of Fortune 500 companies screen applications with automated tracking systems (ATS).

Jobscan, vendor research

Coaching time is finite

Each CV review or mock interview takes an hour of a coach's time: you cannot serve every candidate who asks.

Automated screening

Most large employers filter applications with tracking systems before a recruiter reads them.

Tools priced for elsewhere

Leading AI resume tools are English-first, billed in dollars and paid by card only.

WHITE LABEL

Your own AI career space, under your name

01 Your brand

Your name, logo and colours on every screen your clients see

02 Your domain

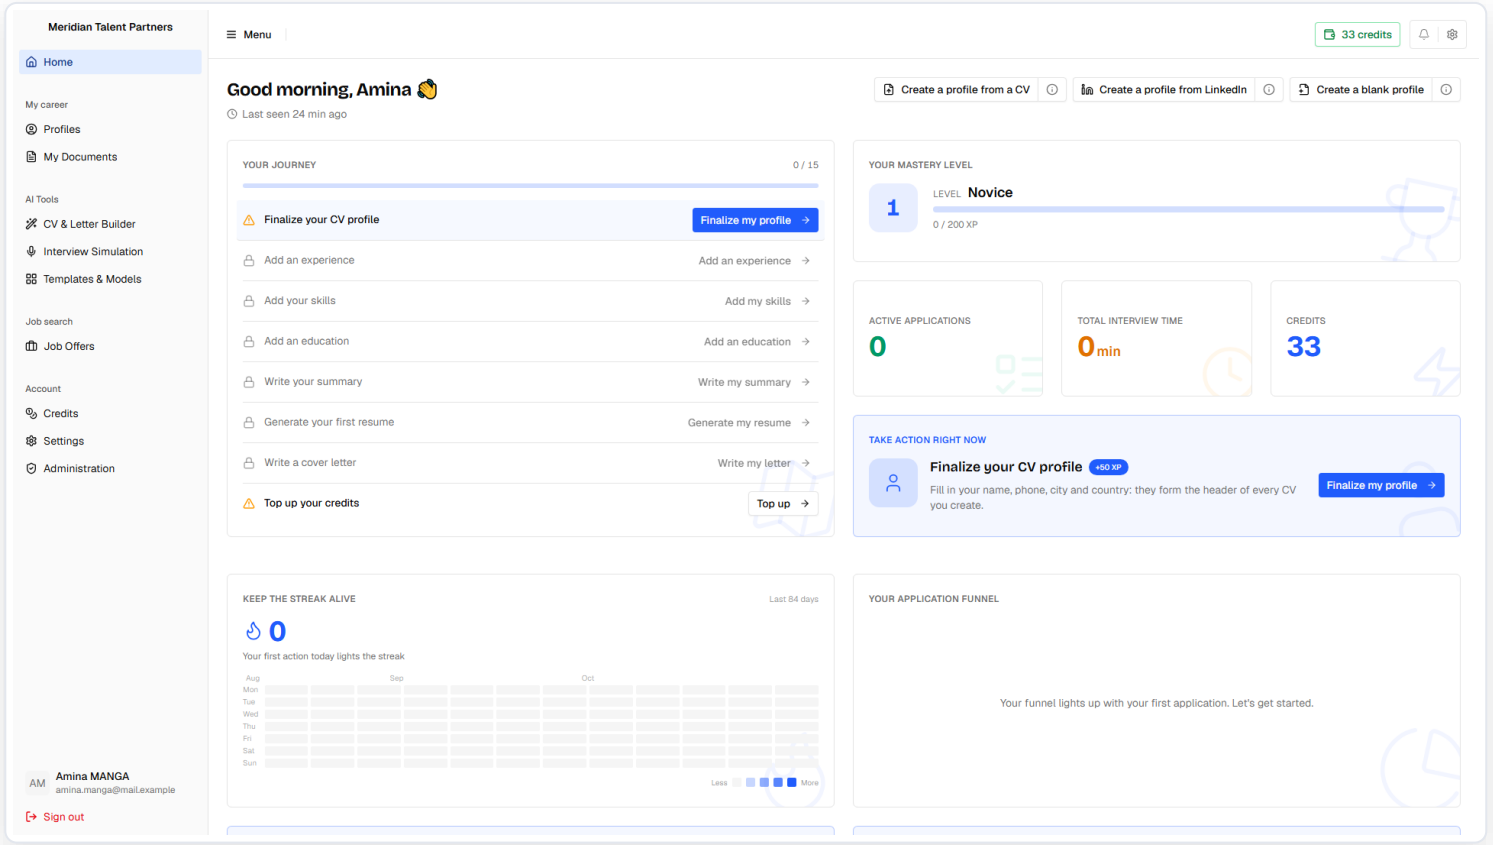

A web address of your own, such as careers.your-agency.com

03 Self-service sign-up

Clients register on their own, by email, Google or LinkedIn

04 Six interface languages

English, French, Spanish, Portuguese, Italian and German

What a client sees: the career space of a demo agency, Meridian Talent Partners.

WHAT YOUR CLIENTS GET

Eight AI tools, from first CV to signed offer

Job match analysis

A score out of 100 against any job offer, requirement by requirement.

ATS-optimised CV

A CV tailored to each offer, written from the member's real experience.

Cover letter

A personalised letter for each company, ready to send as a PDF.

CV audit

What holds a CV back, with fixes ranked from critical to minor.

LinkedIn profile

Headline, summary and skills rewritten for the target role.

Job search

200,000+ live offers, each scored against the profile.

Interview simulator

A voice interview with a virtual recruiter, then a detailed report.

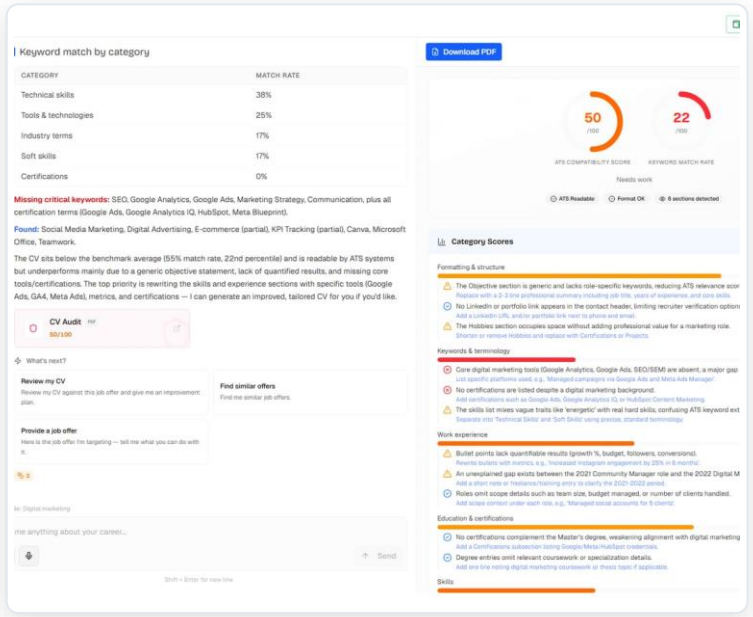

Design library

400+ CV and letter designs, including Europass and academic formats.

Interface in 6 languages; generated documents in the member's language. Job offers and template counts as of November 2026.

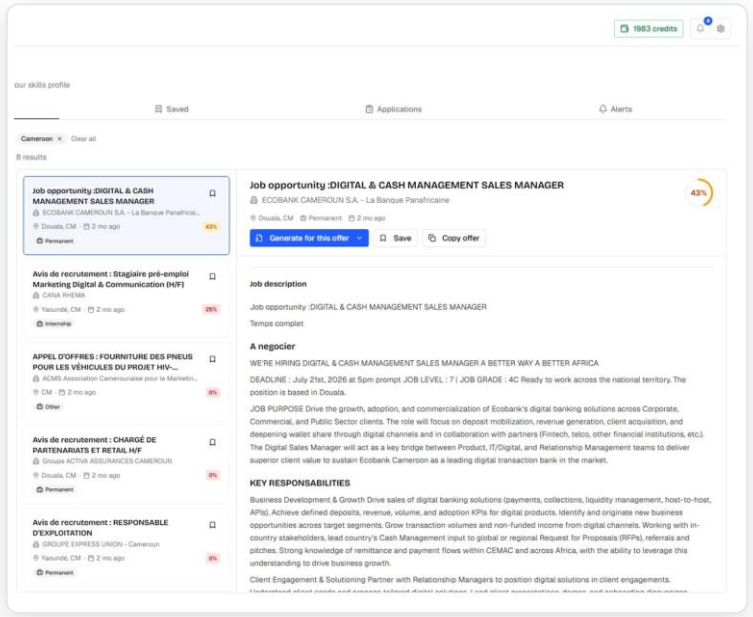

INSIDE THE PRODUCT

Real feedback, real openings, real practice

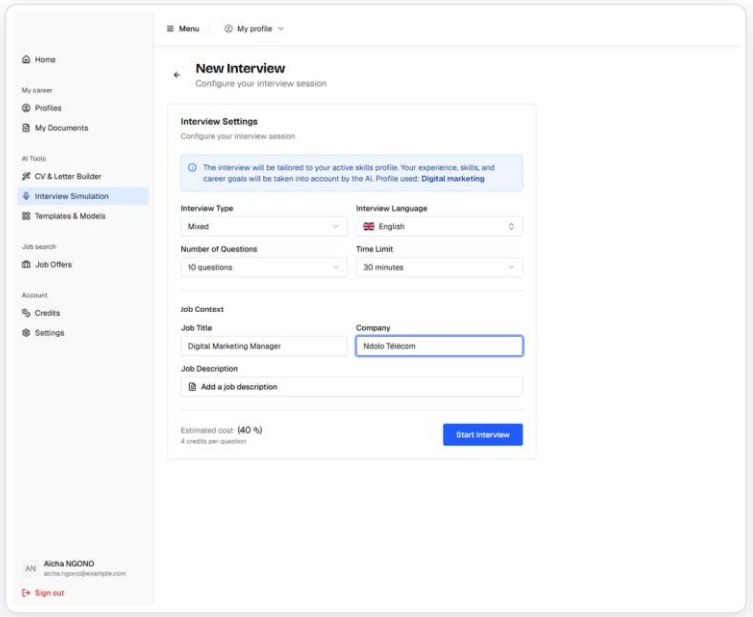

ATS audit

Score out of 100, missing keywords and a prioritised fix list.

Job search

Offers from Europe, Latin America and Africa, with a match score.

Interview practice

A voice interview tailored to the job, the company and the profile.

YOUR DASHBOARD

Follow your clients' progress at a glance

Activity and acquisition

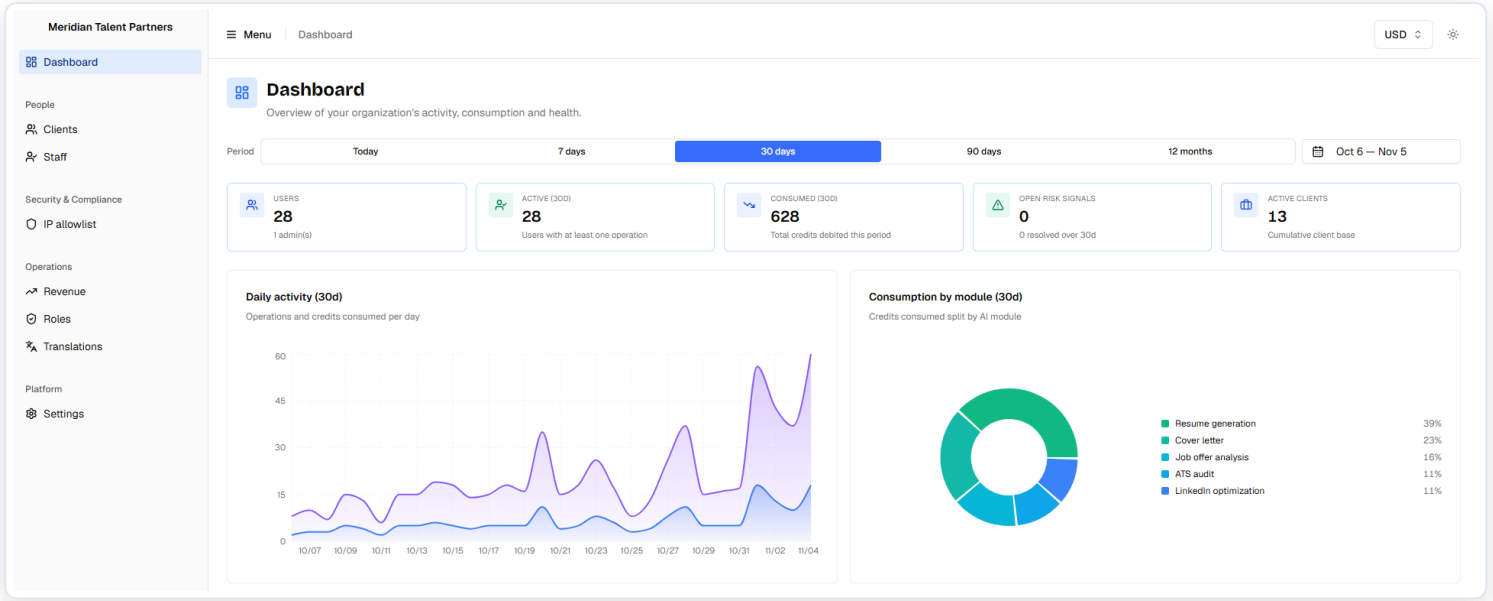

Active clients, sign-ups over time and AI usage by tool, over the period you choose.

Client by client

Enrolment date, last login and status for every client, with search and filters.

Team and access

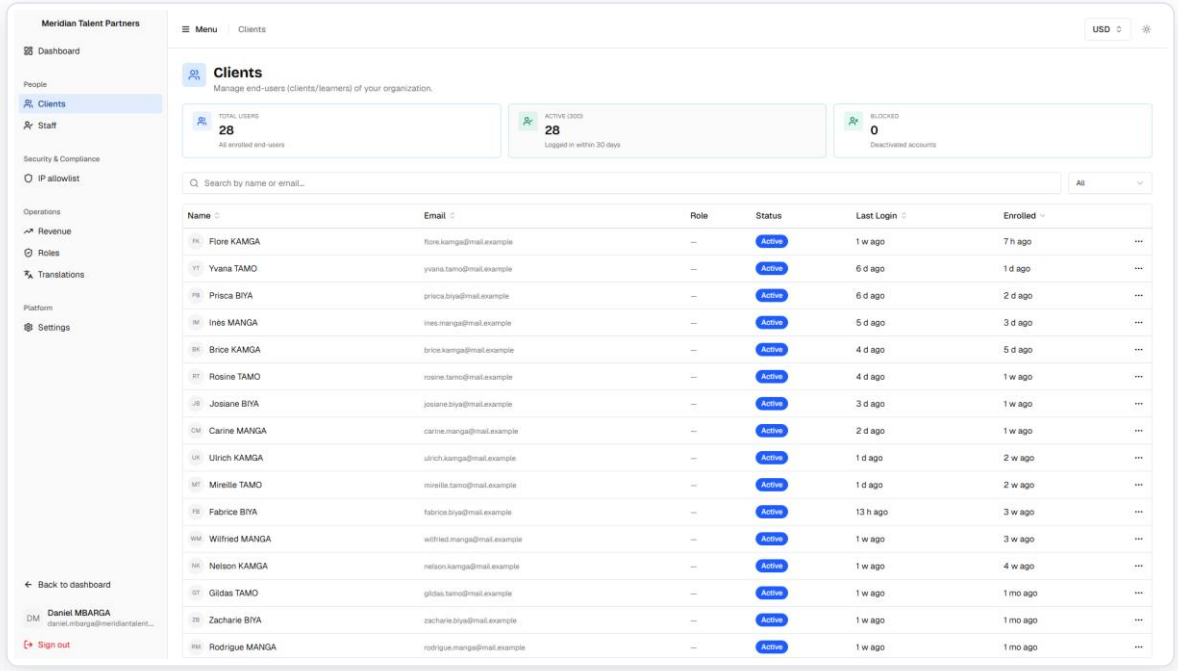

Invite your coaches with their own roles; restrict the admin space by IP address.

Screens from the live product, with a fictitious demo organisation and members.

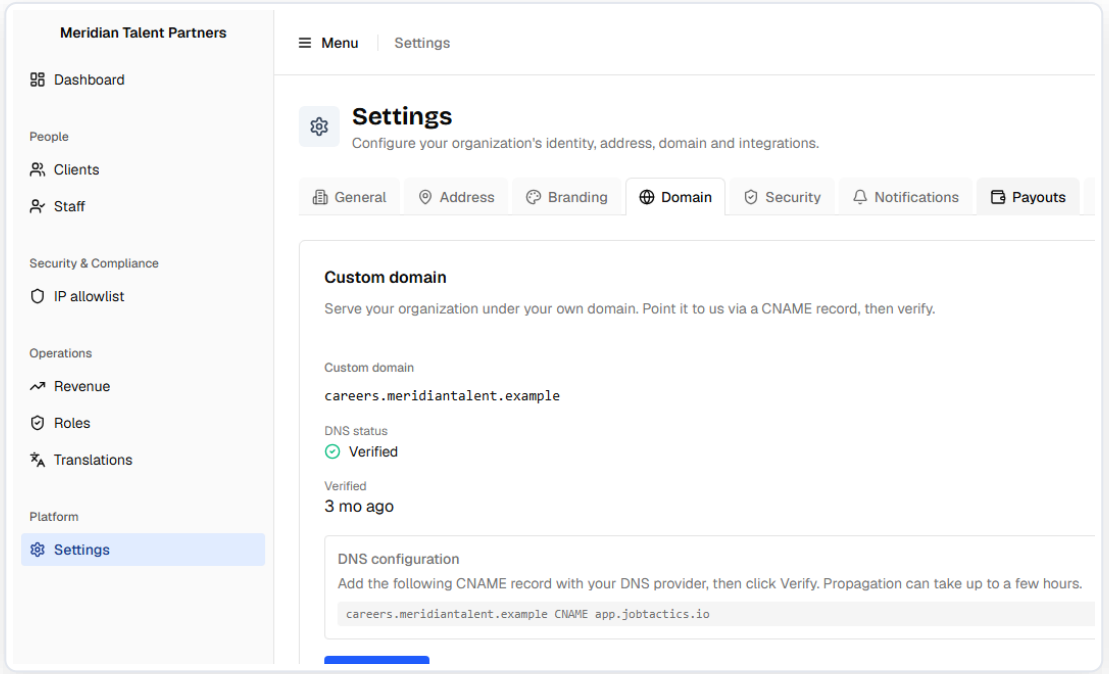

YOUR CLIENTS

Every client in one list, with nothing to install

Clients list

Status, last login and enrolment date for each client; block or reactivate an account in one click.

Your own domain

Point one DNS record to us and your career space answers on your address, with HTTPS.

BUSINESS MODEL

Your clients pay. You earn on every membership

One-time entry

A one-time entry fee, under a partner contract signed before activation. No subscription, ever.

Clients join once

A one-time membership paid at sign-up, with AI credits included. Top-ups only if they want more.

The agency earns

A share of every membership and of the AI credit top-ups its clients buy.

Withdraw any time

Earnings are withdrawn by Mobile Money or to the agency's own Stripe account, without asking us.

Set together during the demo

The membership price, the AI credits included and your share are agreed with you, then written into your partner agreement.

SECURITY AND PRIVACY

Built to the standards your members' data deserves

Encrypted

Sensitive data encrypted at rest (AES-256) and every connection encrypted in transit (TLS).

Isolated

Each organisation's data is isolated; staff access is granted role by role.

Audited

Every sensitive action is logged: who did what, and when, for review at any time.

Members' rights

Data export and deletion on request, under a GDPR-level privacy policy.

Security controls designed along SOC 2 and ISO 27001 practices: encryption, access control, audit trail and controlled data retention.

GETTING STARTED

From contract to first client in days

STEP 1

Book a demo

A 30-minute call to see the platform and agree your membership price and revenue share.

STEP 2

Sign and activate

Sign the partner contract and settle the entry fee. We set up your name, logo, colours and domain.

STEP 3

Invite your clients

Share your web address: clients register, pay their membership and start on their own.

Nothing to install The career space runs in the browser, on a computer or a phone. Your clients sign up with the web address you share.
